

In memory of “Riccardo Faini”, Ceis-Economia-Tor Vergata Foundation of the University of Rome "Tor Vergata" has a

## VACANCY FOR A RESEARCH FELLOW IN

### “MACROECONOMICS ANALYSIS”

The purpose of the fellowship is the development of researches on Economics and Political Economy fields, within the activity of the “Osservatorio R. Faini”, founded with the Department of the Treasury of the Italian Ministry of Economy and Finance.

The fellowship involves full time job during a whole calendar year.

#### Partecipazione requirements

- 1) Degree in Economics, Econometrics, Statistics or equivalent;
- 2) Phd or Doctoral Degree in Macroeconomics or Econometrics;
- 3) Good English communication skills (written and speaking) and at least basic knowledge of Italian;
- 4) Good Knowledge of Programming Languages such as Matlab and Troll.

The successful candidate should have, preferable:

- 5) Previous work experience in Policy-related Institutions.

#### Grant

The gross amount of the grant is **25.000,00** Euros /year for a full-time job (all inclusive).

#### Research topics

The research activity will be focused on the construction of a new DSGE (Dynamic Stochastic General Equilibrium Model) for the Italian Economy for studying the effects of the fiscal policy, as well as policy key issues, mainly related to productivity and competitiveness.

Nowadays, there is an increasing interest and discussion in the academic literature and institutions, mainly in central banks, on the relevance of this kind of models for monitoring the economic policy. The “Osservatorio Riccardo Faini” aims at building a DSGE in order to explore these structural issues for the Italian economy.

This is a challenging research topic, considering that not much work has been devoted towards exploring the role of fiscal policy in general equilibrium models.

### **Specific Tasks:**

The successful candidate will be, in particular, expected to:

- participate intensively in the process of the model construction and estimation, as well as in the simulation analysis;
- report the research activity in progress reports or working papers;
- participate in all main activities of the “Osservatorio Riccardo Faini”.

### **Place of work**

The research activity will be carried out in Rome, in two places:

- School of Economics, “Tor Vergata” University;
- Department of the Treasury of the Italian Ministry of Economy and Finance.

### **How to apply**

- The Fellowship is a **one year post**, starting in 1<sup>st</sup> March 2010.
- **Closing date** for presentation of the application: candidates’ applications, completed with the accompanying documentation must be delivered **no later than 15 February, 12:00 AM**. When this time limit is reached, applications will not be taken into consideration.
- Application must be accompanied by the following documents (in PDF format). Failure to do so may result in exclusion from the competition:
  - a) a detailed Curriculum Vitae in European Community standards, with the indication of **the official candidate’s e-mail address and phone number**;
  - b) one copy of the PHD or Doctoral certificate;
  - c) an abstract of the PHD dissertation in maximum one page;
  - d) a synthesis of last research activities developed by the candidate, related to the research topic proposed;
  - e) one copy of a currently valid identification document;
  - f) a covering letter and, if available, one or more presentation letters.

All the documents, in a compressed folder, have to be sent by e – mail at the address **segreteria.fondazione@economia.uniroma2.it**

The e – mail return receipt will be the confirmation of the successful application.

### **Scientific Committee**

The Scientific Committee will be responsible for the selection procedure and will identify the winner of the fellowship. The Scientific Committee is composed of at least 3 members belonging both to the Ceis-Economia-Tor Vergata Foundation of the University of Rome "Tor Vergata" and to the Department of the Treasury of the Italian Ministry of Economy and Finance.

The selection procedure will be firstly based on the evaluation of titles; eventually an interview will be done, even in “call conference”.
