- **Member of the *Bureau* managing the WP1/EPC of the OECD**
- **Member of the Digitalisation Steering Group OECD/G20**
- **Lecturer at the School of National Administration (SNA)**
- **18 years' experience in international organisations –IMF, OECD, UNCTAD, World Bank, WTO**
- **20 years' experience in academic teaching and research**
- **Advisor to public institutions and private companies: Italian Prime Minister's Office, ICE (foreign trade agency), SACE (export insurance agency), SIP/Telecom**
- **Observer at the GATS 2000 negotiations for financial markets access liberalization**
- **Preparation of the G7 meeting for the Italian presidency in 2001 and for the World Bank in 1997**
- **Design of reforms of international institutions (at G7), fiscal policies (at IMF), foreign trade (at WB and WTO), and business climate and FDI (at UNCTAD and WB)**
- **Founder of the Integrated Framework for trade development by WTO, WB, IMF, UN**
- **Strong network of personal contacts in international organisations, financial institutions and governments**

EMPLOYMENT EXPERIENCE

- Jan '18 to date **Design, implementation and management of the Observatory on Productivity and Wellbeing.** The Observatory, which is part of the Economic Foundation of Tor Vergata University, has been created along European Commission guidelines for a National Productivity Board. Its objectives are the dissemination of research on productivity in Italy, of best practices to raise productivity growth and the organization of discussions of the main issues among shareholders. It publishes updated indicators of productivity in cooperation with ISTAT and relevant articles in the Newsletter of the Foundation. At the inaugural event in April 2018, participants ranged from the European Commission, the Bank of Italy to Parliament and Administration, together with the Italian statistical office and representatives of entrepreneurs and the Unions. The Observatory presented a panel with contributions on productivity by IMF, OECD and the Italian Treasury at the International Seminar of Villa Mondragone in June 2018.
- Dec '05 to Dec '17 **LUISS (Libera Università Internazionale degli Studi Sociali), Rome, Italy - *Adjunct professor of Public Management*** previously of ***Global Macroeconomic Perspectives and International Financial Institutions.***

At **LUISS Government School**, Lecturer on Economic Governance: Global and European. At **LUISS Business School**, manager of the “Amica Italia” project for Chinese managers in cooperation with the Ministry of Foreign Affairs and Confindustria (Association of Italian Entrepreneurs). I organize a series of conferences, past topics include the financial crisis, the sovereign debt crisis in Europe, the productivity slowdown, the new global governance. Participants included the Managing Director of the IMF, directors of the UN, WTO, OECD and World Bank, and former Prime Minister of Italy G. Amato.
- Mar '11 - Dec '16 **Ministry of Economy and Finance of Italy, Rome, Italy – *member of Council of Experts.***

Advised the Director General of the Treasury on macroeconomic and structural issues. Represented the Italian Treasury at the WP1 of the OECD EPC (Economic Policy Committee) and managed the Treasury participation in the activities of the latter.

Elected to the *Bureau* and nominated co vice-chair of the EPC/WP1. Member of the Steering Committee of the OECD/G20 horizontal initiative on digitalization, which includes 14 committees.
Managed, from the Italian side, three OECD Italy Surveys, participated in the Country examination by the EDRC, in their re-writing and final presentation.

Contributed to the preparatory discussions for the Stability Program and National Reform Program mandated by Italian Financial Law and EU regulations. Participated in the discussions with the IMF for annual

surveillance missions and with the European Commission for the Macroeconomic Imbalances Procedure.

- Jan '13 - Mar '15 **SNA (Scuola Nazionale di Amministrazione) on European and International Governance, Rome, Italy - *Lecturer*.**
- Besides teaching, duties included mentoring and assessing candidates for managerial roles in the public service (Corso-Concorso). The Italian government began a process of restructuring the SNA in early 2015.
- Mar '10 - Mar '11 **SACE (Italian Export Credit Agency), Rome Italy - *Chief Economist*.**
- SACE is a joint-stock company wholly owned by Cassa Depositi e Prestiti. It is the equivalent of the US EXIM Bank and COFACE in France, providing insurance and financing to exporters. Member of the preliminary and final Risk Committees that evaluate projects for traditional export insurance operations. The committees also evaluate new operations that underwrite national projects on renewable energy and SME credit to the Public Administration. In the Risk Committee, I evaluated increases in countries' insurance ceilings, agreements on rescheduling of debt and projects to be approved by the Board. Responsible for the production and delivery of the Annual Report, sector and country specific studies, country risk maps. Ran internal training courses and public conferences.
- Sep '04 – Nov '05 **University of Roma Tre, Rome, Italy - *Adjunct professor of Economic Policy - International Affairs*. Also served as a *Consultant for the World Bank, WTO and ICE* (Italian Trade Agency).**
- Designed and managed training courses for policy makers of Emerging and Developing countries on WTO Agricultural Negotiations, in partnership with the World Bank, the FAO, the WTO and the Italian Ministry of Foreign Affairs.
- Sep '03 – Sep '04 **University of Turin, Turin, Italy - *Adjunct Professor of Industrial Policy*.**
- Jan – Jun 2003 **United Nations Conference on Trade and Development, Geneva, Switzerland – *P5 Division on Investment, Technology, and Enterprise Development*.**
- Duties included providing inputs and comments on national and regional foreign direct investment (FDI) and coordinating Investment Policy Reviews.
- The following two activities were done while on leave from the World Bank (see below)*
- Jan – May 2001 **Italian Prime Minister's Office, Rome, Italy - *Advisor to Prime Minister Amato for the Italian Presidency of the G7*.**

Managed the background work on the reform of multilateral financial institutions, the outcome of which was a White Paper for the G7/8 meeting in Genoa. I organized and participated in the international conference of Florence on "G8 and Global Governance", which gathered the G8 team, Italian authorities, International Institutions, and NGOs.

Oct 99 – Sep 01 **World Trade Organization, Geneva, Switzerland - *Principal Counsellor.***

Formal observer to the multilateral negotiations on financial market access liberalization for GATS 2000. I assisted the WTO management in implementing and monitoring the Aid for Trade Initiative; reviewed the World Bank and IMF trade-related initiatives for the WTO Coherence Agreement; and participated in the Task Force established by the Director General on improving public outreach and relations with the media, NGOs, Parliamentarians and Universities.

Sep '94 - Dec '02 **International Bank for Reconstruction and Development (World Bank) Washington, DC, US - *Senior Economist, Research Department*** under the direction of Joseph Stiglitz.

Analysed the impact of financial and trade liberalization on emerging and developing countries. Founding member and World Bank Coordinator of the Integrated Framework for Trade Development, an initiative of the IMF, World Bank, WTO, UNDP and UNCTAD to coordinate trade aid to LLDCs.

Previously, *Senior Trade Economist for the Africa Region* and Country Economist for Senegal. Duties for Regional Trade Issues, in the Office of the Chief Economist, advised senior World Bank management on bilateral or multilateral initiatives to encourage Africa's trade, including the proposed G7 Africa initiative, the US Congress' bill on trade and investment (African Growth and Opportunity Act) and the renegotiation of the ACP countries convention (ex-Lomé Convention) with the EU.

1991 - 1994 **Organization for Economic Cooperation and Development, Paris, France - *Economist, Trade Directorate, Division of Relations with Non-Member Countries.***

Duties included: (1) encouraging and monitoring the reform of trade policy and trade institutions in the ex-communist countries of Central and Eastern Europe and the former Soviet Union; (2) carrying out research on regional integration in economies in transition and on sequencing of the transition process; (3) providing technical assistance for international trade institution building such as export credit, insurance, and promotion.

1985 - 1991 **International Monetary Fund, Washington, DC, US - *Economist, Fiscal Affairs Department and Special Fiscal Studies Division.***

Duties included: **(1)** participating in adjustment programs and surveillance activities. Analysed government accounts and financing and made medium and long-term projections in order to evaluate the adjustment path to be followed by the country. As the fiscal expert of the mission, I recommended the fiscal measures needed to achieve macroeconomic stabilization. Participated in the negotiations with the Finance Minister to reach the agreement on the program. **(2)** Carrying out technical assistance work. **(3)** Providing background papers for the discussion on fiscal issues at the IMF Board of Executive Directors. **(4)** Carrying out individual and coordinating joint research projects, resulting in papers including the Introduction to the first issue of the World Series of Government Statistics and essays on fiscal expansion and external imbalances. **(5)** Reviewing papers of other IMF departments, publications/theses on fiscal issues by applicants to the IMF, and external papers for publication in journals. **(6)** Contributing to the World Economic Outlook publication.

- 1983 – 1985 **University of Calabria, Faculty of Economics, Italy - *Assistant Professor (with tenure), Economic Policy.***
- 1982 - 1983 **SIP (Italian Public Telecommunications Company), Rome, Italy - *Economic Advisor to the Vice-President.***
 Duties included: analysing benefits and costs of a possible privatisation of the company; briefing top managers on Italian and international economic trends and representing the company at conferences and study groups.
- 1980 - 1981 **Banco San Paolo di Torino (Intesa Sanpaolo), Turin, Italy - *Consultant.***
 Principal duty: training the staff on monetary and credit policy in view of the European integration.
- 1978 - 1979 **Regione Piemonte, Turin, Italy - *Economic consultant.***
 Principal duty: drawing up the economic plan and budget for the region.
- 1976 – 1977 **Federtessile (Italian Textile Industry Association), Milan, Italy - *Consultant.***
 Principal duty: providing studies for restructuring the Italian textile industry, given the persistent crisis of the sector.
- 1975 – 1977 **Bank of Italy, Rome, Italy - *Researcher at the Institute for Monetary, Banking, and Financial Studies L.Einaudi (Ente per gli studi monetari, bancari e finanziari L. Einaudi).***
- 1974 - 1980 **University of Turin, Italy - *Assistant Professor, Economic Policy Chair and Researcher at the National Research Council.***

UNIVERSITY EDUCATION

- 1974 **University of Turin.** Degree in Economics with maximum score (110/110) and distinction (con lode e dignita' di stampa).
- 1980 **University of Cambridge,** Trinity College, UK. Visiting Studentship.
